## Deer Tanning Price List 2019

### Chinese Water Deer / Muntjac

£40

### Roe Deer

£50

### Fallow Deer

£75

### Sika Deer & Red Deer

*Due to the very large size of these deer we are currently unable to tan their hides with our current equipment, we are hoping to be able to add these to our process and our price list in 2020.*

All prices exclude VAT

Postage & Packing is additional – please contact us for individual prices

**Please note** for the tanning of a deer hide to be successful the deer must be skinned as soon as possible and then salted as per the instructions found on our website. If an animal is hung for several days and then skinned there will be slippage of the hair and it will not be able to be tanned.
